

News Calendar TypoScript Template

The Typoscript Template containing the configuration for News Calendar can be found here on the page tree. Please note that TypoScript values may change with future releases of Zen Wireframe.

Use **Web>List** view to quickly locate and edit TypoScript templates. Use Web>Template to access the Constant Editor and other [template tools](#).

The screenshot shows the software interface with a page tree on the left and a template editor on the right. The 'News' folder is highlighted in the tree. The template editor shows the 'Page (4)' section with 'Pagetitle' and 'Pagecontent (7)' sections. The 'News Calendar' template is highlighted in the 'Template (2)' section.
